Feedback analysis of Employers for the academic year 2021-22

Feedback analysis:

Since 2018, the institution has prioritized obtaining feedback from employers. However, the college's **first batch of undergraduate students graduated in 2018**, and the college has unfortunately been receiving passive feedback from employers since then. The feedback system in the Pattambi locality is not adequately developed, and most of our graduates are self-employed.

The Internal Quality Assurance Cell (IQAC) has decided that the college will take meticulous steps to gather feedback from employers starting from the academic year 2021. Please find attached some feedback analysis for the academic year 2021-22.

Feedback analysis: Report from Employers

- The students from Lement College who employed as part time employees is very excellent in performance and they shows growth and transportation while getting training
