**MEGA JOB FAIR**

Placement Cell and ED Club initiated a Mega Job Fair on December 7<sup>th</sup> 2019. We organized a mega job fair in order to make the youth be placed in any organization as a start in their career. Through this event we could understand the high risk of unemployment. These events give opportunities to the youth to urge for the job search. Around 250 candidates participated. 36 companies came forward to hire candidates. Selection was under their discretion.
