### POLICY FOR GREEN CAMPUS

In the year 2020, Le-Ment College of Advanced Studies initiated various environmental activities and formally approved the following as College Policy. The mission is to protect the environmental hazards and to make the students and the society responsible towards the environment and initiate various environmental policies and programs.

Various activities are initiated and evaluated periodically through the audits and approved by the College Principal.

#### Aims:

1. Encourage cleanliness inside the campus by awarding the students for the best hygiene class.
2. Encourage plastic free campus.
3. Discourage the use and throw carry bags.
4. Promote tree planting inside the campus.
5. Minimize the paper and plastic wastage.
6. Minimal usage of disposable cups and plates.
7. Keep non bio degradable wastes clean and dry, store them separately and handover it to the scraping agency.
8. Promote green initiatives inside and outside the campus
9. Use of bio waste bin and plastic waste bin
10. Promoting students to use degradable products.

#### Monitoring and Grading

Green Campus initiative committee monitors and evaluate the initiatives under green campus and further validation and promotions are done by the committee and also the initiatives are evaluated by Govt. recognized auditing agency.
