

Best Practice 2

Gender equity

Regardless of where you live in, gender equality is a fundamental human right. Advancing gender equality is critical to all areas of a healthy society, from reducing poverty to promoting the health, education, protection and the well-being of girls and boys. Education is a key area of focus.

To promote gender equity among students, for a sustainable and peaceful development and to Empower female students by building their mental and physical strength, helping them recognize their full Potential and attaining stability in a competitive world.

Plan of Action: Le-Ment College of Advanced Studies has constituted Gender Club, Women Cell, Entrepreneurship Development Club, and Social Club. Through these clubs various activities are Organized to promote gender equity among students awareness classes, seminars focused on menstrual hygiene, and self-defence classes are Organized for female students to help them gain awareness and protection against sexual assault. The College also offers premarital counselling for female students. A plan of action that includes online and offline sessions, as well as interactions with eminent personalities has been designed. The Gender Club organizes mental health sessions for both boys and girls, provides counselling, and conducts gender awareness sessions.
